Dear Colleague:

I would like to extend a welcome to all who will be visiting the Trinity Western University campus this season. It is our pleasure to host you and your teams, and make our Therapy Centre available to you.

**Location:**

The Spartan Athletic Therapy Centre is located on the 2nd floor of the Langley Event Center. You are welcome to use the Therapy Room for any pre-game preparation.

**Pre-Event Preparation:**

If your team does not travel with therapy staff, arrangements can be made for one of our students to work with the team. Please make arrangements at least **5 days prior** to the team's arrival. The fee for student coverage is \$100/game.

***Please provide your own supplies***, otherwise applicable charges for items used will be billed to the team. All applicable invoicing to your university is completed through the Department of Athletics at Trinity Western University.

**Quebec and Out Of Country Athletes:**

Please ensure that any athlete on your teams from Quebec or outside Canada have adequate insurance coverage for their trip to BC. Most hospitals will expect payment up front from these individuals.

**Onsite Coverage:**

If you would like to have an athlete treated in the Spartan Sport Therapy Centre, please contact the Head Therapist in advance to arrange an appointment.

**A Trinity Western University student therapist will be present at all home games. Our Emergency Action Plan will be discussed with the visiting representative prior to game time. The visiting team will be responsible for any emergency and non-emergency transportation.**

Ice, splints, towels, water bottles and crutches are available as needed. Please contact the Events Manager, on-site student therapist or the head therapist if any of these items are required.

The attached sheet summarizes some important phone numbers. Please ensure that all medical information, including health card numbers, travels with your team.

Please do not hesitate to contact me if you have any further questions or concerns. I wish you well in the season ahead.

Yours through Sport,

Natalie Ghobrial, CAT©
