

***Feeling adventuresome? Looking for new challenge?  
Ready to make a positive impact internationally?  
Summer Language Institute at six locations in 2013!***

You have heard many times that LCC International University is a dynamic university attracting students from 25 different countries to study in an international undergraduates program. Where do these students come from? How do our students hear about LCC? Students come to know LCC through our summer programs in Ukraine, Kazakhstan and Lithuania. These summer programs are vital to our recruitment strategy and an extremely important aspect of our work and mission, expanding our ability to offer meaningful education to more students from the eastern and central Europe.

Recently we have decided to expand our SLI programming. We are now looking for qualified English language teachers for six (6) summer programs. Join us as we engage students in educational experiences, transforming the lives of young people as they learn to communicate and see how they can positively influence their societies. Our summer programs focus on giving students an “LCC experience” while learning English. Therefore, we are especially interested in your application since you understand the mission and vision of LCC.

**Summer Language Institute – Klaipeda, Lithuania**

This is our flagship program which began 22 years ago. Three hundred youth from all across Eastern Europe will study English on our campus for three weeks. We offer classes from beginner to advanced levels; we also have skill focused classes (for example, Fiction Reading, Film, and Public Speaking). Teachers come for a one week orientation prior to classes. Join our experienced team and enjoy a high- tech teaching environment. Teenagers are at the heart of this program.

**Program Dates:** July 8-26, 2013

**Date for teachers:** Arrival to Lithuania- July 1; Departure- July 28

Teachers volunteer their time and travel costs while LCC provides housing in student resident hall on campus.

Other (potential) locations:

2. Zaporozhye, Ukraine
  3. Cherkassy, Ukraine
  4. Tblisi, Georgia
  5. Baku, Azerbaijan
  6. St. Petersburg, Russia
- locations should be confirmed in early January 2013

With the off campus SLI programs, we aim to provide supportive, academic, student centered English classes that give students a taste of LCC. Classes run for 2 weeks, 5 days a week and staff provide interactive activities after the lessons. A small student body of 40 students facilitates plenty of personal interaction with the students. We partner with local educational agencies for facilities and operations. We are looking for 4 experienced, flexible English teachers for each location.

**Program dates:** mid June to mid July (dates TBA)

**Date for teachers:** arrival a week prior to program start date

Teachers volunteer their time and travel costs while LCC provides housing on location.

**Application process:**

1. Express your interest by completing the Information Request Form <http://www.lcc.lt/teaching-application-process> or send us an email at [recruit@lcc.lt](mailto:recruit@lcc.lt)
2. Kate Klorer, our Expatriate Recruiter, will contact you with more details
3. Interview (SKYPE) with our local director
