2014 INTERNSHIPS

Albania Czech Republic Estonia Hungary Latvia Poland Romania Serbia Slovakia Slovenia Ukraine

What? As a summer intern you will serve with a team under the leadership of an experienced JV staff member. You will partner with national youth groups to put on evangelistic English, sport, or Fusion music camps for Central and Eastern European young people. You will teach, build relationships with students and facilitate a variety of training activities related to youth ministry.

Why Central and Eastern Europe? Over 20 years after communism and the evangelical church is still small and fractured. In our region there are 32.5 million young people ages 15-28. Less than 1% know Christ. We have some work to do!

Why go with Josiah Venture? Josiah Venture offers over 20 years of experience in youth ministry. We value our interns as co-laborers and partners in ministry. You get to experience cross-cultural ministry with national leaders in the local church!

When? The end of May through the first of August 2014. Ending dates will vary per country.

Do I raise my own support? Yes. All of Josiah Venture's work across 13 countries is support based. Expenses could range from \$2800-3800 plus airfare.
